Insofar as the following has any relevance to anything at all, it should be read in conjunction with the first Rules Committee report on page 45.

"In the event of an emergency the crew will be the last to leave the aircraft. I as the Captain will be the last of the crew to leave. If I pass you on the way out you are to assume the rank of Captain."

- David Gunston

DR VICTOR GEORGE JENSON

Sadly, Vic Jenson died on 29th March 2001 at the age of 68. He held a BA and PhD obtained at Birmingham University, and had spent his working life at the University as a lecturer. My first meeting with Vic was in 1945 at the Wolverhampton Kipping Chess Club, when he was 12 years of age. He became a very strong player and for over 15 years was the captain of the Staffordshire County 1st team. When his parents moved to Weymouth Vic went to live in Bromsgrove and subsequently played for both the Birmingham and Bromsgrove Chess Clubs.

Vic was County Grader for a number of years and was instrumental in the computerisation of the BCF grading system. He served on the Birmingham League Rules Committee for many years and assisted with adjudications for the League.

On behalf of all League members and those who knew Victor I offer my sincerest condolences to his family.

Graham Humphreys

ENDA O'DONNELL

Enda came to England from County Mayo as a young man to make his fortune as a welder and car mechanic, and was a founder member of the Tamworth Chess Club way back in the 1970's. He played board two in the first team below Martin Whetton when Phil Briggs was still in Division 8!

A keen motorbike enthusiast and a black belt at karate, he gave up competitive chess in the 1980's but still continued to support the Club. He contracted leukemia in the early 1990's and that was what eventually overcame him in April this year.

Enda will be sorely missed by all at Tamworth, and by many of his former adversaries throughout the BDCL.

Phil Nightingale

Report of the Rules Committee meeting held on Wednesday 2nd May 2001 at Mutual Circle CC

Division1 - Lichfield v Walsall Kipping - 22nd February 2001

The Walsall Kipping captain, Bill Rea, was late arriving for the match. In his absence another player agreed to a change in the time control to 36 moves in 1½ hours as allowed in Rule 8.5. Bill Rea and another Walsall latecomer were unaware of this change throughout the match until Mr Rea lost on time having played 34 moves. Mr Rea complained that it was unfair for a game to be played when one of the players was unaware of the correct time control and that the game should be voided.

The Committee carefully considered the points that Mr Rea made and could understand his annoyance that the Lichfield player might have acted in an ungentlemanly way. The Committee nonetheless concluded that the responsibility for making him aware of the change of time control lay with his own acting captain rather than with his opponent.

Division 4 - Mutual Circle v Bushbury - 20th February 2001

The game S Robinson v P Allan had been adjourned for the second time and the Mutual player, Mrs Robinson, went to Bushbury on 10th April as arranged. When Mr Allan did not arrive she went home and Mutual claimed the game by default. Mutual supplied the adjournment envelope and the Committee noted that the full date of Tuesday 10th April was written on it in Mr Allan's handwriting as the resumption date. Bushbury argued that this was a mistake in that Bushbury's home night was always Wednesday. About a week prior to the game there had been a telephone conversation during which Mrs Robinson affirmed her intention to play at Bushbury on the date fixed.

After careful consideration of the points made by Bushbury the Committee came to the conclusion that there was a clear intention to play the adjournment on Tuesday 10th April. The game was apparently confirmed to be played at Bushbury. Mrs Robinson turned up to play at the agreed venue on the agreed date and the claim by Mutual was therefore upheld

Rule 17.1

At the September 2000 Management Committee meeting a request was made that the Rules Committee should look at Rule 17.1. In the past teams finishing joint runners-up in Division 1 have wanted to share the trophy, but the rule does not allow this. The Committee proposes the following amendment.

In the first sentence delete "runners-up in Division 1". After the words "to resolve the tie" insert a full stop. Thereafter insert "In the event of a tie between two or more teams for runners-up in division one the teams concerned may agree to share the trophy. In default of such agreement they shall play a match or matches to resolve the tie. All such matches shall be played ..."

Mike Biddle Chairman

NB: Your editor also suggests that the subsequent sentence "Such matches shall be of 6 players per team ..." requires a little tweaking, as division 8 currently has only four players per team..

BDCL Lightning Tournament held 20/3/2001

Section 'A' was won by Shirley 'A' with 17 pts from Olton 'A' (15½) and Lichfield 'A' (13). Section 'B' was won by Birmingham with 17 pts from Solihull 'A' (15½) and Shirley 'B' (13). Section 'C' was won jointly by Solihull Youth 'A' and Shirley 'C' with 16½ pts. Kingstanding were third (14½).
